ABOUT THE INSTITUTION

R.M.K College of Engineering and Technology (RMKCET) was established in the year 2008 by Lakshmi Kanthammal Educational Trust. The College has been approved by the All India Council for Technical Education, New Delhi, affiliated to Anna University, Chennai. The institution is accredited with 'A' Grade by NAAC and is certified under ISO 9001:2015 by TUVNORD. It is one of the leading Institutions with active industry interaction which has been duly recognized by CII.

ABOUT THE DEPARTMENT

The Department of CSE was started in the academic year 2008-09. It imparts high quality technical education through technically vibrant faculty members and holds excellent infrastructure to meet the dynamic needs of the IT industry. We organize various techno-managerial intra and inter-collegiate events under CSI students chapter and other professional bodies. Our students get placed in top notch IT companies. We get our students trained through various Centers of Excellence and students undergo internships in IT product companies during their final year.

VISION OF THE DEPARTMENT

To be a source of knowledge in the field of Computer Science and Engineering to cater to the growing need of industry and society.

MISSION OF THE DEPARTMENT

To avail state-of-the art infrastructure for adopting cutting edge technologies and encouraging research activities.

To promote industrial collaborations for Professionals for professional competency.

To nurture social responsibility and ethics to become worthy citizens.

ABOUT THE CONFERENCE

National Conference on Computing Technologies Today's and Beyond (NCCTTB'18) is a National forum for the researchers and practitioners interested in sharing their experiences on the advances and applications of the recent trends and future inventions in Computing Technologies. The goal of NCCTTB'18 is to promote scientific information interchange among Research Scholars, Academicians, Students, Working Professionals, Engineers and the Scientists to gain insight knowledge and develop new ideologies and broad focus in the concerned field.

INSTRUCTIONS TO THE AUTHORS

Original contributions of ongoing research work are expected from the authors. Prospective authors are requested to submit their softcopy of their research papers in IEEE format, not exceeding six pages in length and send the papers to nccttb18@gmail.com

Papers will be reviewed by the experts and will be selected based on novelty & technical content. Author should give the address for correspondence including contact numbers and Email Address. Registered papers will be published in the Conference proceedings. Selected paper should be presented orally by at least one of the authors.
