26. MosIC Solutions Bangalore.

The institute has got an award for Employability

SHL.

National Employability Award 2023

presented to

RMK College of Engineering and Technology

for being amongst the top 10% colleges in Tamil Nadu that excelled in

⚡amcat

for the 3rd consecutive year. The award is based on the performance of final year students in AMCAT.

Year Issued: 2022

Himanshu Aggarwal
Chief Digital Officer, SHL

HIGHER EDUCATION CELL

The mission of this cell is to prepare and give exposure to students on pursuing higher studies abroad and in India. This Cell identifies the Aptitudes of the Students for Higher Studies; accordingly, the Department arranges 'Guidance' through Lectures by eminent personalities so as to assist the students in making their right choice regarding the Subjects, Courses and Universities for Higher Studies, both in India and abroad. This is a well-structured Support System for pursuing Higher Studies.

The Higher Education Cell works closely with the Training & Placement Cell. BEC Training and Exam activities are coordinated by the Higher Education Cell.

Business English Certificate (BEC) is designed to show employers your ability to use English in the workplace. BEC is an internationally recognised suite of three tests, which are aligned to the Common European Framework of Reference for Languages:

Preliminary - B1 level

Vantage - B2 level

Higher - C1 level

In our Institution we provide training for both Preliminary - B1 level and BEC Vantage - B2 level for all our students in their second year. Almost all the students take up the BEC Exam.

CENTRE OF EXCELLENCE

A center of excellence (CoE) is a corporate group or team that leads other employees and the organization as a whole in some particular area of focus such as a technology, skill or discipline. To that end, a business CoE may provide research, support, guidance, placement training and oversight for other employees and students. The area of focus can be anything that's important enough to the business to devote the necessary resources to. A CoE may be ongoing or temporary; group members may work in another capacity or be full-time in the CoE. A center of excellence is frequently used when an organization needs to take on a new technology or skill and manage its adoption. Major trends like BYOD (bring your own device) Cloud Computing and big data analytics often drive the adoption of CoEs as enterprises attempt to deal effectively with a rapidly evolving business environment.

CLOUD COMPUTING

KNOWLEDGE PARTNER DETAILS

Atos is a European multinational information technology (IT) service and consulting company with headquarters in Bezons, France, and offices worldwide. It specialises in hi-tech transactional services, unified communications, cloud, big data and cybersecurity services. Atos operates worldwide under the brands Atos, Atos|Syntel, Atos Consulting, Atos Healthcare, Atos Worldgrid, Groupe Bull, Canopy, Maven Wave, and Unify.

The company was formed in 1997 through a merger of two French IT companies; and combined with the Dutch-based company Origin B.V. in 2000 to become Atos Origin. It subsequently acquired KPMG Consulting in 2002 and SchlumbergerSema in 2004. In 2010 Atos Origin announced the buyout of Siemens IT Solutions and Services and finalized the acquisition in July 2011. Afterwards, the company name reverted to Atos

MOU SIGNED DETAILS

RMKCET has signed the Memorandum of Understanding with the Atos Global IT Solutions as Knowledge partner for CSE Batch Adoption on 18-05-2023

LAB ESTABLISHED

In RMKCET we have established a Cloud Computing laboratory which was inaugurated by Mr. Nasir Usman Shaikh Senior Vice-President, Atos Global IT Solutions , Mr. Senthilnathan Senior Vice-President, Atos Global IT Solutions Mr.Kesava Das Vice-President, Atos Global IT Solutions and other team of Experts from Atos Global IT Solutions on the same day of MoU signed.

RESEARCH CELL

R.M.K. College of Engineering and Technology has been emphasizing on Research and Consultancy (R&C) in various areas of Engineering through

- Research projects funded by the external agencies like ISRO etc
- Organizing International and National Conferences, Seminars and Workshops funded by the college and external agencies like AICTE, IET, ISTE etc
- Encouraging Faculty Members and Students to apply for Patents
- Encouraging Faculty Members to pursue Ph.D
