

## Campus Connect Webinar Series on <Java Script/>

March 2014

Pre-Work | Post Work

### Overview

Campus Connect team, Chennai successfully conducted another webinar series on “**Java Script**” in the month of **March 2014**. Overall we conducted 6 webinars and 1 Quiz at the end of webinar series. Followed the same pattern as we did in earlier webinar series by dividing the students into teams and collecting the pre-work and post-work from these teams. This webinar series witnessed active participation of **107 student teams** (527 students) and **35 faculty members** from **18** campus connect partnered colleges attached to Chennai DC.

### Webinar Process

- Received nominations from the interested colleges.
- Requested the college SPoC to bring only interested participants not more than 30
- Asked to form a team, not more than 5 per team, so as to make a max of 6 teams per college.
- Circulated pre-work to the student teams, one week before the first webinar.
- Issued 3 postworks one by one after the completion of each unique topic of webinar

### Webinar Sessions

### Introduction to Java Script

- 6th March 2014 : 10.00 AM to 11.30 AM
- **Presenter : Roy Arnold, CC Anchor**
