

INTER- COLLEGIATE PAPER PRESENTATION CONTEST AT INFOSYS

An Inter-Collegiate Paper Presentation Contest “**Sthree**” was conducted by Infosys Chennai that saw 30 entries, from which nine were shortlisted. The contest was conducted on important women-centric topics like (i) How appropriately are Women portrayed in the Media? (ii) Leveraging technology to create a safer environment for women. It was a stiff competition amongst the various teams. Finally it was RMK College of Engineering & Technology team who won the contest.

We congratulate our students P. Vandhana and V. Vijayalakshmi of III Year (2011-15) IT department for bringing laurels to the college by winning the competition.
