

INSTRUCTIONS FOR PAPER SUBMISSION

● PAPER FORMAT

Full Paper with abstract must be prepared as per IEEE Format. The abstract should be limited to 150 words and the length of the paper should not exceed 6 pages including abstract and submit MS word version.

● PAPER EVALUATION PROCEDURE

Papers will be evaluated for originality, significance, clarity and soundness will be reviewed by at least three independent reviewers.

● IEEE - A PLAGIARISM FAQ

Authors are insisted to submit their original work only without plagiarism. Though, we carefully reject papers, if plagiarism is found by plagiarism checker software, authors will be responsible for any consequences, if the plagiarism is found.

● IMPORTANT DATES

Paper Submission for Review : 10.10.2014

Acceptance of the Paper : 20.10.2014

Early Registration : 01.11.2014

Late Registration : 30.11.2014

Conference Date : 15.12.2014 & 16.12.2014

● REGISTRATION FEE

Participants	Early Registration	Late Registration
1. Students (PG)	₹ 2500	₹ 3000
2. Research Scholars & Faculty	₹ 3000	₹ 3500
3. Co-Author for same paper	₹ 2000	₹ 2500
4. Foreign Authors (USD)	\$ 200	\$ 250
5. Listeners (Indian) (Foreign)	₹ 1500 \$ 75	₹ 2000 \$ 85

The registration fee is to be paid by the way of demand draft (or) wire transfer to the below mentioned bank. Payment proof should be sent along the camera ready paper to the following address (or) through mail on or before 30.11.2014 for including the paper in the proceedings.

● Bank details

for NEFT / RTGS/E Payment)

Account Name : Principal Account Government Transaction.

Account No : 062201000041031.

Bank & Branch : Indian Overseas Bank & Kavaraipeitai.

IFSC Code : IOBA0000622.

MICR Code : 600020144.

for Demand Draft (Indian Authors)

The Principal

R.M.K. College of Engineering and Technology, Chennai.

International Conference on Recent Trends in Electrical, Electronics, Computing and Communication (ICRTEECC-2014)

December 15-16, 2014

R.M.K. College of Engineering and Technology

Structured by
Departments of
ECE, EEE, CSE & IT

Event by & at :

R.M.K.
College of Engineering and Technology

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

CONFERENCE FOCUS

International Conference on Recent Trends in Electrical, Electronics, Computing and Communication (ICRTEECC-2014) addresses the rapid strides and technological advancements currently witnessed in the fields of Computer Science, Information Technology, Electrical and Electronics and Communication Engineering. The Conference aspires to exhibit the technical excellence of budding technocrats, research scholars, representatives from the academia and industry. This conference intends to bring together the best of globally renowned research professionals.

SCOPE OF THE CONFERENCE

International Conference on Recent Trends in Electrical, Electronics, Computing and Communication (ICRTEECC-2014) aims at exploring the interface between the industry and real time environment with state-of-the-art techniques.

ABOUT RMKCET

People in Chennai and elsewhere have discovered that the R.M.K. group creates a rock solid foundation for young minds to build a career and face the world boldly and cheerfully. As a result of this the demand for seats in these institutions reached new heights and the management was pressurized into starting one more institution here. As the LakshmiKanthammal Trust's main objective is to foster quality technical and higher education, research and training in rural areas in various branches of science and technology and simultaneously inculcate among the youth, a sense of discipline and pride in their hard work so that they can be moulded into competent technocrats of the century, they decided to have another college of engineering in the vicinity. So was born the 'R.M.K. COLLEGE OF ENGINEERING & TECHNOLOGY'.

The fledgling college has all the advantages of its mighty sister concerns R.M.K. Engineering College & R.M.D. Engineering College. With the older siblings' help and with its own innate strength it is sure to fly high like a garuda and soar to new heights.

ORGANISING COMMITTEE

Chief Patron

Shri R.S. Munirathinam
Chairman, R.M.K. Group of Institutions

Patrons

Smt. Manjula Munirathinam
Chairperson

Shri. R. Jothi Naidu
Director

Shri. R.M. Kishore
Vice Chairman

Shri. Yalamanchi Pradeep
Secretary

Coordinator

Dr. C. Arun (ECE)

Co-Coordinator

Mr. J. Prakash (EEE)

Mr. Mohanraj Vijayan (IT)

Ms. S. Indra Priyadarshini (CSE)

INDIA UNITY IN DIVERSITY

With the majestic Himalayan ranges in the north and endless stretch of golden beaches on the other three sides, India offers a perfect mix of landscapes, magnificent historical sites, royal cities, misty mountain retreats, colorful people, rich cultures and festivities. India is home alike to the tribal and to the sophisticated urbanite. It is a land where tradition and technology exist in harmony. Ancient monuments are the backdrops for the world's largest democracy. The most renowned symbol of love and architectural excellence, the Taj Mahal- one of the 7 wonders of the world, lead the list of a vast number of historical monuments.

India offers you unlimited choices. For here, action and tranquility are the two sides of a coin. While imposing peaks challenge you to conquer them; gentle mountains invite you for a leisurely trek. The rivers beckon you to taste the thrill of river running or try your hand at catching some trout. The clear blue waters of India's island beaches are ideal for scuba diving and snorkeling, or for a languorous soak in the sun. India's landscape is blessed with terrains that make it a perfect destination for the adventurous traveler.

The timeless mystery and beauty of India can be experienced only by visiting this ancient Land. Truly a must see !

ABOUT CHENNAI

Chennai, previously known as Madras, the capital of Tamil Nadu, is the country's fourth largest city. Chennai was the site of the first settlement of the East India Company. It was founded in 1639, on a piece of land given by the Raja of Chandragiri, the last representative of the Vijayanagar rulers of Hampi.

Chennai, the gracious capital of Tamil Nadu is the fourth largest metropolis in India. Located on a 17km stretch of the Coramandel coast, the city is trisected by the waterways of Cooum, Adyar and the Buckingham Canal. With a population of 6 million people, Chennai is a vibrant city ever growing, expanding and changing every year. Popularly regarded as the "Gateway to the South", Chennai presents culture that is distinctly different from that of northern India. Music, dance and all other art forms of the South are cherished and nurtured in this city which, though industrialized, continues to be traditional and conventional in many ways.

PLACES TO SEE IN TAMILNADU

- ✦ Sri Kapaleeswarar Temple
- ✦ Mamallapuram
- ✦ Kanyakumari
- ✦ Birla Planetarium
- ✦ The Marina-the world's second largest beach
- ✦ Ooty
- ✦ Kodaikanal
- ✦ Madurai Meenatchi Amman Temple

CONFERENCE THEMES**COMPUTER SCIENCE AND ENGINEERING**

- Cryptography and Network Security
- Soft Computing
- Parallel Computing
- Cloud Computing
- Databases and Knowledge Based Systems
- Programming Languages and Software Systems
- Artificial Intelligence
- High Performance Computing and Networks
- Big Data and Data Analysis
- Algorithms and Complexity
- Computer Graphics
- Software and System Engineering

Submit Paper to Email ID : icrteeccse@gmail.com

ELECTRICAL AND ELECTRONICS ENGINEERING

- Soft Computing Techniques in Electrical Systems
- Intelligent Smart Grid Computing
- Renewable Energy Sources
- Energy Conservation and Energy Audit
- Power Electronics Applications in Electrical Devices
- Control, Intelligent Systems and Robotics
- Remote Sensing and Space Systems
- Optical Materials and Devices
- Electronics Devices and Materials
- Design, Modeling and Analysis

Submit Paper To Email Id : Icrteecceee@gmail.com

ELECTRONICS AND COMMUNICATION ENGINEERING

- Broad Band Communication
- VLSI and Reconfigurable System
- Optical Communication
- RF Electronics
- Optical Networks
- Digital and Multirate Signal Processing
- Image Processing
- 3G|4G Wireless Technology
- NEMS|MEMS
- Nano Devices
- Real Time Embedded Systems
- Nano Technology

Submit Paper to Email ID : icrteeccece@gmail.com

INFORMATION TECHNOLOGY

- Mobile Pervasive Computing
- Computer Vision and Information Visualization
- Pattern Reorganization, Machine Learning and Data Mining
- Networks and Web Security
- Distributed Systems
- Computer Security and Information Assurance
- Multimedia Databases and Information Retrieval
- Ad-hoc Networks
- Speech and Natural Language Processing
- Internet Technology

Submit Paper to Email ID : icrteeccit@gmail.com

Topics not limited to the aforesaid.**CALL FOR PAPERS**

Authors are invited to submit full papers for consideration. Submission of paper must be original and should not have been published previously or be under consideration for publication in any other journals or proceedings.

All accepted papers will be sent for peer review and the corresponding author will be notified of the outcome of the review process.
