10.5	Grievance redressal mechanism for faculty, staff and students

Grievance's redressal mechanism provides a platform for students to express and resolve misunderstanding, concerns, or grievances they have with any college employee in a prompt, fair and equitable manner. This procedure emphasizes an informal resolution.

- To protect each student's freedom of expression in this classroom
- To protect each student from prejudice or arbitrary and capricious academic evaluation as evidenced by the student's final course grade.
- To protect each student against improper disclosure of the student's views, beliefs and political associations.
- To protect a student's right to a learning environment that is free from unlawful discrimination.

Time limits on filling a grievance

A students can able to file a grievance throughout the semester following the action that gives rise to the grievance. Principal may suspend this rule under exceptional circumstances. All grievance records will be held in the Office of the convener for a period of one year.

Withdrawal of grievance

At any time during the grievance procedure the student may withdraw the grievance.

Appeal to Principal

If the students are not satisfied with the decision of the Grievance Review Committee, he/she may appeal to the Principal, in writing. This appeal must be made within 5 working days of the student receiving the decision of the Grievance Review Committee.

Always follow appropriate procedures in pursuing any grievance, College rules prohibit the following:

- Obstruction or disruption of research, administration, disciplinary procedures or other college activities. Disruption or mean conduct which disturbs, interferes with, or prevents normal campus functions and activities. Examples include creating a disturbance by yelling, using profanity, or verbally intimidating or abusing others; or making excessive or unreasonable demands for immediate action, such as demanding an appointment or a response to a grievance on the spot.
- Failure to comply with directions of the college official or resisting or obstruction such officials in the performance of their duties.

Scope and Coverage

A grievance may arise when a graduate student believes that his/her status as a graduate student, or University appointment based on student status, has been adversely affected by an incorrect or inappropriate decision or behavior.

Examples include, but are not limited to the following:

1. Inappropriate application of a department / unit University policy;
2. Being unfairly assessed on a preliminary examination;
3. Being improperly terminated from a program;
4. Being required to perform personal service unrelated to academic or assistantship duties;
5. Being the subject of professional misconduct by a student' graduate supervisor or other faculty or staff member.

FLOW CHART FOR GRIVANCE REDRESSAL MECHANISM

10.5 Establishment of Anti Ragging Committee

The college anti-ragging committee is functioning as per AICTE directives and Anna University guidelines to handle the issues related to ragging. The team members are always vigilant and they interact with freshers and make surprise checks inside the campus and hostel premises. The anti-ragging committee has created awareness among students to do away with any form of ragging both inside and outside the campus. Every department has student representatives in the committee to report any incidents of ragging.

The anti-ragging guidelines are being prominently displayed prominently in various buildings of the campus. It is heartening that there has been no incident of ragging reported in the campus so far because of active performances of the anti-ragging committee.

10.5 Establishment of Online Grievance Redressal Mechanism

In order to comply with the AICTE Regulations for addressing students' grievances, a "Grievance Redressal Cell" has been constituted in RMK College of Engineering and Technology with the following objectives

Objectives:

1. To provide a support system for the students to express their grievances regarding academic and non-academic activities.
2. To initiate proactive measures to redress the grievances of the students.
3. To examine and scrutinize the complaints and representations of aggrieved students and to take up these matters with the appropriate authorities for redressal.

10.5 Establishment of Internal Complaint Committee (ICC)

The institution has constituted an internal complaints committee for sexual harassment to women to deal with the women related issues in the campus. It is headed by Dr. N.Kalaiarasi, Professor and Head of the Department of EEE. The forum is not only looking into the highly sensitive issues of any form of harassment, but also emphasizes on the women empowerment.

We are fortunate not to have any issues regarding the sexual harassment in the campus so far.

The institution has established an Internal Quality Assurance Cell (IQAC) on 20-02-2017. It is a cell that works on evolving strategies to remove deficiencies and enhance quality, thus channelizing the efforts towards achieving holistic academic excellence.

The objectives of the IQAC are

1. To develop a system for consistent improvement of the academic and administrative performance of the Institution.
2. To help the management in achieving the Quality Objectives
3. To plan and execute development programs
4. To assist the institute for applying and complying to the National/ International Accreditation

The Functions of the IQAC are

1. Development and application of quality benchmarks / parameters for the various academic and administrative activities of the Institution.
2. Dissemination of information on the various quality parameters.
3. Organisation of workshops, seminars on quality related themes and promotion of quality circles.
4. Documentation of the various programmes / activities leading to quality improvement.
5. Preparation of the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters.
6. Administering Feedback Mechanism for the College.

10.11 Admission Procedure

1. In all UG programmes 50% of the admissions are filled under Government Quota through single window system. As per the guidelines of Government of Tamil Nadu, Anna University monitors the UG admission for the affiliated colleges based on the marks scored in the H.Sc. Examination.
2. Remaining 50% of the admissions are filled under management quota through another single window system monitored by the consortium of self-financing colleges in Tamil Nadu.
3. Government of Tamil Nadu is not conducting any Common Entrance Test for admission.
4. Candidates from other states will be considered as belonging to OC only, irrespective of their community for the purpose of considering minimum eligibility marks.

10.15 Library Facilities

Library is fully automated through AutoLib Library software systems for the benefit of the users. OPAC (Online Public Access Catalogue) service is installed to search the availability of books with Title, author or publisher. All the latest journals and magazines for all disciplines are subscribed periodically. Latest arrival of books, journals, periodicals and renewal of books are notified to the library users through E-mail. To inform the faculty members about the news related to education, employment. Published in newspapers everyday through E-mail. The library user gets the benefit of un-interpreted power supply while accessing the computers.

10.20	Best Practices
Best Practice No. 1	

I. TITLE: VIRTUAL BASED LEARNING

1. Goal:

To improve the effective utility of e-learning platforms in order to improve and update the quality of education of the students with respect to the subjects.

2. The context:

To inculcate the essence of teaching, learning and research capabilities of students.

3. The practices:

1. All the students are taught real-time applications based on the topics.
2. Skills are developed through practical examples via online video sessions.
3. Online quizzes has been conducted and evaluated for a series of session.
4. Hands-on training sessions are handled by subject experts from inter and intra colleges.
5. NPTEL and other online courses has been embedded with the real-time classes.
6. Provided opportunities for students to explore their views in reality-based learning platform.

4. Problems Encountered:

1. Few students are reluctant.
2. Slow learners find difficult to cope up with academics and extra courses.

5. Resources Required:

Experts from Industries and Educational Institutions.

6. Evidence and Success:

Shown a massive improvement and interest in learning and developed a multidimensional way of seeing and solving problems.

Best Practice No. 2

II. TITLE: ACTIVITY BASED LEARNING

1. Goal:

To improve and implement practical knowledge of students in the respective domains.

2. The context:

To provoke the research thirst and attainments of the student's inbuilt technical ideas.

3. The practices:

1. Mini-project competition has been conducted.
2. Practical way of seeing and handling the issues has been taught.
3. Ecofriendly method of solving problems are developed.
4. Analytical and logical skills has been improved.
5. Motivated to participate in events like Hackathon, Codevita contests.
6. Practical lab sessions are given through online platforms.

4. Problems Encountered:

1. Some students faced network connectivity issues.
2. Lack of programming skills.

5. Resources Required:

Laptop/Desktop with proper network connectivity and supporting software

6. Evidence and Success:

1. Interaction and involvement of students has improved.
2. Knowledge sharing and innovative ideas has been shared.
