STUDENT FEEDBACK ON INFOSYS SEEDBALL WORKSHOP

I am B.Thirumalai, studying III-C, interested in environmental activities, with the permission of our Head of Department(ECE) , I attended the workshop named "INFOSYS SEEDBALL WORKSHOP " at INFOSYS Ltd, Mahindra city DC on 5th August 2017. The objective of this workshop is to make awareness regarding planting more trees. This workshop appears to be the gem of all environmental activities in our state. The workshop was really amazing and very useful. Finally I would to like thank my management for encouraging these kind of activities and also my department for selecting and permitting me to attend this workshop.
