DEPARTMENT OF MECHANICAL ENGINEERING
PROFESSIONAL SOCIETY ACTIVITIES

Mechanical Engineering Association [MEA]

Academic Year: 2018-19

Membership in professional organizations is important and necessary as we strive to stay informed of current developments in our fields of expertise.

Our department offers many opportunities to get involved in extracurricular activities. Students and faculty members are encouraged to join the professional bodies like Society of Automotive Engineers [SAE INDIA], **Mechanical Engineering Association [MEA]**, Indian society for technical education [ISTE], Indian Institute of production Engineers [IPE] and Indian welding society. Many in house events are planned and conducted for student members periodically to enhance their knowledge, skills and creativity in different areas that help to mould the students to fit and meet the current requirement of Industries. Students members are also allowed to participate in various events organized by IPE.

Some of the events conducted under MEA are listed below.
