

REPORT ON WEBINAR “Skills in English: A Gateway to Success”

A One–Day National Webinar on “Skills in English: A Gateway to Success” was organized by the Department of Science and Humanities (English), R M K College of Engineering and Technology.

The Webinar “Skills in English: A Gateway to Success” was held on 12th August 2020.

Respected **Dr M Palanisamy**, Associate Professor of English, Kanchi Mamunivar Govt Institute for Post graduate studies and research, Lawspet, Pondicherry was the Resource Person.

The Webinar began at 10.30 am in the presence of all the members.

The resource person is an eminent scholar of English and he has been involved in the creation of innovative English Language Programmes.

It was a very informative session which helped everyone to imbibe knowledge about the effective skills in English. In all, the session was truly elating and inspiring. A lively question answer session followed the presentation by the resource person. Digital certificates were issued to all the participants.
