### DEPARTMENT OF SCIENCE AND HUMANITIES

#### REPORT ON THE WEBINAR Titled,

#### “SIGNIFICANCE OF BASIC SCIENCES IN BRIDGING THE INDUSTRY”

The Department of Science and Humanities organized a Special Lecture entitled, “Significance of Basic Sciences in Bridging the Industry” on 15-06-2021 for the students of ECE Branch through Zoom link.

**Ms G Revathy**, Data Scientist, Blackstraw.AI, Alumna (2008-2012) of our Institution from ECE Department was the Resource Person. Education is a very important aspect of our Life. Education not only makes students better citizens of the world by inculcating values and good habits, but it also helps students to be technically sound so that they can compete with the outside world.

Speaker explained about the connectivity and Significance of each of the courses offered in Basic Sciences with Engineering Domain and Industry and she also elaborated on the skillsets that students should acquire during their first year of study. The session was thoroughly enjoyed by all the students and they took away many ideas which were delivered by the speaker during the lecture.

It was an interactive webinar with an intensive question/answer session at conclusion. Many students posted their questions in the chat box during the session also got satisfactory answers for the same.

Darthy V from ECE-A and Monisha S from ECE-B gave their feedback about the program. The program ended with Vote of Thanks proposed by Shanija S R of ECE-C.
