DEPARTMENT OF SCIENCE AND HUMANITIES

REPORT on Special Lecture

"Role of Basic Sciences in Computer Science Engineering"

The Department of Science and Humanities organized a webinar entitled, **"Special Lecture on Role of Basic Sciences in Computer Science Engineering"** for the students of **CSE Branch** on **7-6-2021 through zoom link.**

Dr K Akila, Senior faculty member of CSE Department was the Resource Person. She explained about the connectivity and significance of each of the courses offered in Basic Sciences with Engineering Domain. Students found this special lecture as a useful one provided to them at the right time. Students also interacted with the speaker posting many queries.

Few students gave their feedback about the program. The program ended with Vote of Thanks proposed by student Mokshitha.
