DEPARTMENT OF SCIENCE AND HUMANITIES

REPORT ON THE WEBINAR Titled,

“Special Lecture on "Role of Basic Sciences in Electronics and Communication Engineering”

The Department of Science and Humanities organized a webinar entitled, **“Special Lecture on "Role of Basic Sciences in Electronics and Communication Engineering" for the students of first year ECE Branch on 8-6-2021 through zoom link.**

Dr T M Inbamalar, Professor of ECE Department was the Resource Person for this Special Lecture. It was a very informative session which helped students to imbibe the knowledge about how the Basic Sciences are connected with Engineering Domain. The students found this lecture very informative and knowledge enriching one which was provided to them at the right time.

After the talk, there was a discussion among the resource person and students through the queries posted in the chat box wherein the expert cleared various doubts on the topic. Before calling it a day, the expert encouraged students to keep exploring more in the field and take up new projects in the domain. The resource person also informed the students about the job opportunities available in the field.

The event was a successful one. The webinar was relevant to the title and were well-appreciated by the students. After completion of this workshop students have felt encouraged to explore these areas further.

N Aswini from ECE – A and V Revathy from ECE – B gave their feedback about the program. The session concluded with a Vote of Thanks proposed by Saravanakumar J of ECE – C.
